NB : This model is not adapted for a stand-alone installation.
To guarantee the proper functioning of the wine cabinet, the top and bottom ventilation strips must not be covered in any way.

Inspiration, in a few words...

Understated & Elegant

The heart of the home, the kitchen is no longer reserved just for cooking. A place to gather and spend time together, it is open to all the family and often friends too. The kitchen has become a place where good times are shared, things are created, ideas germinate and chemistry happens…
